D. A. R. Activities

A notable event which occurred in 1791, 130 years ago, is to be celebrated on Wednesday, from 2 to 1 p.m., by the Daughters of American Revolution. This is the rededication of the recently restored southern boundary stone of the District of Columbia at Jones' point, Alexandria, Va.

All Daughters of the American Revolution, all members of patriotic organizations and all others interested are cordially invited to attend. Many of the government and District of Columbia officials are expected to be present at the ceremonies, and several prominent speakers will make addresses. The Alexandria-Mount Vernon cars to Shipyard station will take those who wish to attend from Washington to within a short walk of the scene.
